**Sense of God's
call** I feel it is imperative that we engage our congregations in healthy dialouge in what it means and feels like to be church in this day and age. It is an exciting time to be the church as we find new ways to engage our communities and synod in ways to be church that feels inclusive and welcoming.

Skills/Experiences I am currently serving as a Vicar in Casper, WY and have served in several congregations in a variety of synods in different capacities in ministry.
