<b>Sense of God's call</b>	<p>All my life, except my first 10 or so years, I always knew that I belonged with God and wanted to do more. I grew up as an ELCA Lutheran in a church my grandparents founded and most everyday we did talk about God and the stories that we were told. Pastor Ruth Ann must have seen something within me and we have talked so very much about what I would like to do and how I have felt. I have been through some tough times and God has always seen me through. I have a very big need to spread that feeling of God and get people interested again. I want to assist the ELCA and Rocky Mountain synod to encourage people to come back and bring young ones into the church. So the answer to your question is God is in my heart and he has always protected me and now I have the ability to something to him.</p>
<b>Skills/Experiences</b>	<p>I love to talk to people and enjoy learning about them. I am not a shy person and for the most part people talk to me and it is easy for me to understand. I will never give my opinion unless asked. I was in the Army for 28 years and I continually met new experiences, some most people will never see in their lives. I have counseled numerous Soldiers, ensured their safety when I could and did my best to get them home safely to their families.</p>
<b>Service Activity 1</b>	<p>I am currently serving on the King of Glories Leadership Team, I have been on the roster for 2 years now.</p>
<b>Service Activity 2</b>	<p>I am currently serving on the churches Christmas Bazaar Committee for the 3rd year.</p>
<b>Service Activity 3</b>	<p>Usher, grounds clean up and will always volunteer to help the church such as spring cleaning, grounds clean up, setting up the church for services.</p>
