Briefly describe your sense of God's call into mission and service in the Synod through this office:

I feel a deep desire to serve as in capacities I am able to serve. I am a firm believer as James 2:26 states "...Faith without works is dead". While I serve locally, I feel that as an able individual I should serve the Synod as well.

Describe your skills and experiences that would be an asset to this office:

I have been a Chief Officer and Administrator for many years as well as an educator. In these positions I have been called to deal with conflict and provide mediation when necessary.
