**Briefly describe your sense of God's call into mission and service in the Synod through this office:**

I feel a deep desire to serve as in capacities I am able to serve. I am a firm believer as James 2:26 states "...Faith without works is dead". While I serve locally, I feel that as an able individual I should serve the Synod as well.

**Describe your skills and experiences that would be an asset to this office:**

I have been an educator, Fire Chief, EMS Chief, and served as a member of multiple committees and served in executive capacities on boards. I bring these years of experience to the table to serve the Synod. I have served the public in many different ways for the past years and I now feel called to give my time back to the Church.
